

ISOA Women, Peace, and Security Certification

This certificate is proudly presented to

SKA INTERNATIONAL GROUP DMCC

*For maturing and advancing its commitment to the Women, Peace, and Security Act of 2017, as follows:
The United States strives to promote the inclusion of women in conflict prevention, resolution, and post-conflict stabilization efforts. Your leadership and engagement of women in fragile environments promotes more democratic and prosperous societies and is critical to the advancement of peace and stability around the world.*

Congratulations for achieving this ISOA Women, Peace, and Security Certification.

Certification is valid through December 31, 2024.
